

## Carriers & Cargo Hauling Accessories - Hitches & Towing - Hitch Receiver - Hitch Receiver

Part Number 82214543AC

Hitch Receiver is 2-inch and the same as production. It has a 3,600 lb. tow rating, 360 lb. tongue weight when equipped with NMR (Heavy Duty Radiator), 1,500 lb. tow rating, 150 tongue weight when equipped with NHA (standard engine cooling), 2" receiver opening. Note that additional parts and/or modifications may be required. Base models without a valance (having sales code ML2) also require part number 82219030. Models with a valance (having sales code ML9) also require part number 68282631AD. If equipped with XZ2 (Hands Free Lift Gate Sensor), part numbers 68275630AG and 06511242AA will also be required. Not compatible with PHEV models (sales coded XDQ, or body model RUE). Designed as a one-piece welded assembly for added strength over multiple piece designs, Mopar® Hitch Receivers match your vehicle's towing capacity/uses when properly equipped. Covered with two-layered, E-coated paint finish to resist rust. All Mopar® hitches pass FCA US LLC extensive road testing for durability and strength. Owner's Manual - Check

Hitch Receiver

Install Time: 2.0 hrs.
